**Columbia Middle School Speech Tournament**

When: November 12, 2011

Where: Logansport, IN  
1300 North Third  
Columbia Middle School

This speech meet includes middle school participants. It will begin with 9:30 rounds but the extemp draw will be in the library at 9:00. We will also have a judges' meeting in the lecture hall.

Each student may double in all events but radio, extemp and discussion. A limit of 25 students per school is necessary. Please "educate" your judges as much as possible before they participate.

Double ribbons will be awarded and the top 6 schools will receive trophies.

Please bring one judge per five entries and I would appreciate extra judges if possible. Please return the pre-registration form to me no later than November 4, 2011. I will fax final registration to you as soon as possible. I will include a directional map to the school at that time.

Our athletic booster club will provide a variety of goodies for lunch so your kids should enjoy that.

Sincerely,

Joyce Pasel
