IHSFA TOURNAMENT MANUAL

I. STATE DEBATE

- A. Congress and State Debate will be held at the same time and in the same location.
- B. Every member school will be entitled to send four two member teams in the following:
 - 1. Cross-examination/Policy Debate
 - 2. Public Forum Debate
- C. Each member school will be entitled to send four entries in each of the following events:
 - 1. Congress
 - 2. Lincoln-Douglas Debate

II. DEBATE CONTEST FORMATS

- A. Policy Debate.
 - 1. A team is two students.
 - 2. A round of debate is a contest between two teams.
 - 3. The question shall be the current national question or the question as determined by the National Federation procedure. In case of no determination by the National Federation, the Executive Council has the power to determine the topic.
 - 4. Each speaker shall have eight minutes for a constructive argument, alternating from affirmative to negative. Following each constructive speech, one opponent will cross-examine the speaker for three minutes. The questioner shall control the time and may interrupt the respondent but should not comment on the answers. It shall be the prerogative of the individual team members to determine the speaking order in cross-examination and rebuttal. No fixed order is mandatory. Each debater shall present a five-minute rebuttal, cross-examine for three minutes, and be cross-examined for three minutes.
 - 5. Format

Affirmative	8 minute constructive
Negative	3 minute cross examination
Negative	8 minute constructive

 - 6. Each team will be allowed 5 minutes of preparation time during the round.

- B. Lincoln-Douglas Debate
 - 1. Lincoln-Douglas is also known as "One-Person Debate."
 - 2. Only two speakers are involved, one fulfilling the affirmative case responsibilities and the other, the negative. Emphasis is placed upon the issues involved rather than upon strategy in developing the case. The statement of the topic is a resolution of value rather than of policy. This results in emphasizing logic, theory, and philosophy while eliminating "plan" arguments. A wealth of evidence should not be used, but research supported by good background reading is necessary.
 - 3. The debate topic will be the current NFL January/February Lincoln-Douglas topic.
 - 4. Format

Affirmative	6 minute constructive
Negative	3 minute cross-exam
Negative	7 minute constructive
Affirmative	3 minute cross-exam
Affirmative	4 minute rebuttal
Negative	6 minute rebuttal
Affirmative	3 minute rebuttal
 - 5. Each debater will be allowed a total of four (4) minutes preparation time during the course of the debate.

C. Public Forum Debate

1. A Public Forum team consists of two students.
2. A Public Forum debate round is a contest between two teams
3. The resolution debated will be the January topic as selected and presented by the National Forensic League.
4. To begin a round of debate, the judge shall flip a coin in the presence of all four debaters. The team winning the coin toss will then choose either the side (Pro/Con) they want to represent OR what order they would like to speak (First/Second). The other team then chooses from the remaining option. **(It is important to note that unlike policy debate and L.D., there is no presumption of which side speaks first.)**
5. The first speakers of each team deliver a four minute speech. After the first two speeches, a three minute crossfire occurs where both debaters are allowed to question and comment on their opponent's speech. The speaker who went first should begin the crossfire period with the first question. The speakers should stand for individual crossfire. The second speakers then deliver a four minute speech, followed by a three minute crossfire structured as noted above. Then the first speakers deliver two-minute summaries. The summaries are followed by a three minute Grand Crossfire, where all four debaters are allowed to question and comment on the other side's position. Again, the team who spoke first should ask the first question. During the Grand Crossfire, all four debaters should remain seated. The round is finished when the second speakers each deliver a one minute Final Focus to finalize their team's position. There are no content limits set on the Final Focus speeches.
6. Format

Team A Speaker 1	4 minute constructive
Team B Speaker 1	4 minute constructive
Crossfire	3 minutes
Team A Speaker 2	4 minute constructive
Team B Speaker 2	4 minute constructive
Crossfire	3 minutes
Team A Speaker 1	2 minute summary
Team B Speaker 1	2 minute summary
Grand Crossfire	3 minutes
Team A Speaker 2	1 minute Final Focus
Team B Speaker 2	1 minute Final Focus
7. Total preparation time for each team during the round will be 2 minutes.

D. Congress

1. Each IHSFA certified school may nominate a presiding officer. Nominations must be in writing and turned into the State Debate Tournament Director by January 1. The Executive Council will select P.O.'s at the January council meeting. A school will not give up an entry if a P.O. is chosen from their school.
2. Organization
 - a. The preliminary rounds of Congress shall be randomly apportioned starting with schools that enter four in congress. Students from the same school will not be in the same chambers.
 - b. For the preliminary rounds, there will be five chambers with each debating the same four bills.
 - c. Nine students from each preliminary chamber will advance to three semi-final Houses. These three Houses will debate the same three bills.
 - d. The top six students from each semi-final House will advance to the state finals-Super Senate. They will debate two final bills.
 - e. There will be an entry fee for all Congress entries including presiding officer.
 - f. Advancing students from the same school will be placed in different chambers if at all possible. If separating students from the same school is not possible, a random draw done by the tournament director will occur to determine which chamber to place each student.

3. Judges

- a. There will be three judges in each of five preliminary chambers consisting of a parliamentarian, timer, and official scorer.
 - (1.) Each chamber will have a parliamentarian whose duties are to maintain parliamentary order and to rank all the contestants.
 - (2.) Each chamber will have an official scorer who will assign NFL points as prescribed below and will rank all contestants.
 - (3.) Each chamber will have timekeeper who will time speeches and rank all contestants.
- b. Judges used in the semi-finals and finals of Student Congress will not have judged in the preliminary rounds.
- c. For each of the three semi-final House chambers, three judges will be assigned: a parliamentarian, timer, and official scorer. Their duties will follow those for preliminary judges. See above for details.
- d. For the Super Senate (final round), five judges will be assigned: a parliamentarian, timer, official scorer, and two additional judges.
- e. The two additional judges will have no extra duties beyond ranking all students.
- f. The judges will be provided the IHSFA congress rubric to use in evaluating the congress competitors (passed September 2005)

4. Presiding Officers

- a. All recommendations for Presiding Officers for the Regional Chambers must be submitted to the Executive Secretary prior to the January Executive Council Meeting. A statement of experience and qualifications should accompany the recommendation.
- b. The Presiding Officers will be competing only as presiding officers, although they may be assigned NFL points on the basis of their performances.
- c. A school does not sacrifice a congress spot if a Presiding Officer is selected from that school.
- d. The Presiding Officers will rotate through the preliminary Houses. Before the beginning of semifinals competition, the congresspersons will vote for three PO's to advance from the original five. Those advancing to the Senate will elect a President Pro Tempore of the Senate. It will take a majority vote to elect.

5. Scoring

- a. In preliminary and semi-final rounds, the Parliamentarian, Official Scorer, and Timekeeper shall each rank all contestants. The three ranks will then be totaled and the lowest totals will determine those who advance to the next level.
- b. Parliamentarians' ballots will be used to break ties in preliminary and semi-final rounds.
- c. In the Super Senate, all five judges shall rank all students; but scores below 10 will be converted to "10" in the office. The "high" and "low" scores are dropped of the five final judges.
- d. To break ties in the Super Senate, the following order will be followed:
 - 1. The total of all 5 original scores.
 - 2. Parliamentarian's rankings.
- e. The Official Scorer may award up to a maximum of 6 NFL points for each speech. In addition, he/she may award up to a maximum of 6 NFL points to the presiding officer for each bill debated.
- f. Speeches will be limited to 3 minutes.

6. Legislation

- a. NFL legislation will be used and published in September for use in any invitational meets that wish to use them. These NFL bills will be selected by the Executive Council from those bills at Nationals the previous summer.
- b. State legislation will be selected by the Council at the January meeting. The legislation used for state will come from either the NFL list or from any original bills/resolutions submitted to the executive secretary by member coaches prior to January 1st.

- c. The Executive Council shall select in January four bills/resolutions to be used in the preliminary houses, three to be used in the semifinal Houses and two for the final Super Senate.
- d. Schools may submit up to 2 bills/resolutions for consideration; however, only one bill/resolution per school will be selected.
- e. The bills/resolutions selected for use at the state tournament will be posted on the IHSFA website within one week of the January executive council meeting.

7. Procedure

- a. The participants in the chamber will determine the order of debate at each level.
- b. Amendments must be in writing and state exactly the words to be added or stricken. They will be considered only if they receive a second from one-third of the members. They vote by show of hands. Sending in an amendment does not guarantee a person a speech. You must gain the floor in the usual manner.
- c. Members should claim the floor in debate only if they wish to oppose the views of the previous speakers so that debate will alternate. The presiding officer should strive to ensure alternating speeches, and only recognize students wishing to speak on the same side as the previous speaker if no opposing speaker wishes to speak.
- d. Use of the motion for the previous question should be discouraged until all who wish to speak have the opportunity to do so. When the motion is made, take a standing vote, as a two-thirds majority is required. When no one wishes the floor for debate, the vote should be taken without the motion for the previous question. It shall not be legal to move the previous question in the first hour if there are members still wishing to speak.
- e. Questions of procedure not covered by these rules shall be ruled according to Robert's Rules of Order, Newly Revised.
- f. Recognition of succeeding speeches must be on the total number of speeches given, not progressive speaking order.

III. State Debate Tournament Set-up and Administration

- A. The tournament director will prepare a suitable card for each Policy, Public Forum, Congress, and Lincoln-Douglas entry in the tournament.
- B. Schematic for Policy, Public Forum, and Lincoln-Douglas
 - 1. Three preliminary rounds will be held--two on Friday evening and one on Saturday morning, with two judges assigned to each round.
 - 2. Any team over fifteen minutes late for a round may have to forfeit its debate.
 - 3. For the preliminary schematic, each team will draw for a number independent of another team from the same school. Please note--Schools with two teams entered may both be debating the same side in the same rounds.
 - 4. Teams from the same school must not meet in the preliminary rounds.
 - 5. If avoidable, no two schools should meet each other more than once in prelims.
 - 6. No team should meet another team more than once in the preliminary rounds. In the event that two teams are scheduled to hit each other for a second time in round 3, a minor adjustment within the power bracket will be made to assure no teams meeting twice in prelims.
 - 7. The tournament director and a minimum of one representative from the Council will meet during the week preceding the State Tournament to draw numbers.
 - 8. The schematic for the first two rounds at the State Tournament shall be predrawn. The tournament director will print a schematic for the first two rounds based on the number of teams to debate. It should be structured like the following example:

Round I			Round II		
Aff.	1	Neg. 6	Aff.	7	Neg. 1
	2	7		8	2
	3	8		9	3
	4	9		bye(10)	4
	5	bye(10)		6	5

With an even number of contestants, there will be no bye for the first three rounds. In a tournament with an odd number of teams, the bye shall always be considered the final number as shown.

- 9. In the event of last minute drops, the tournament director, working with at least one member of the executive council, will rework the first two rounds to minimize the number of byes, wherever possible.
- 10. In round 3 the teams will be power matched using number of ballots and speaker points, and they will flip for sides. [**Please note that in Public Forum, teams will flip for sides in EVERY round**]
- 11. After the third round, the top sixteen teams based on total ballots will be paired in a one-loss power protected elimination tournament. When the 16 teams are determined, they will be put into a bracket as follows:

Upper Bracket	Lower Bracket
1	3
16	14
8	6
9	11
5	7
12	10
13	15
4	2

However, realignments may be made within the enumerated ranges to avoid meeting of teams from the same school prior to the final round.

Upper Bracket	Lower Bracket
1 or 2	5, 6, 7, or 8
15 or 16	12, 11, 10, or 9
5, 6, 7, or 8	3 or 4
12, 11, 10, or 9	14 or 13
3 or 4	5, 6, 7, or 8
14 or 13	12, 11, 10, or 9
5, 6, 7, or 8	15 or 16
12, 11, 10, or 9	1 or 2

12. Public Forum debate will follow its own rules regarding coin flips as explained in the public forum rules above.
13. In policy and LD elimination rounds, debaters will flip for sides in the presence of all three judges (all five for final). (July 2006)
14. In policy and LD, if two teams meet a second time, reverse sides from their first encounter. If a third time, there will be a coin flip to determine sides.
15. There will be no runoffs to fill the sixteen slots for elimination rounds. If necessary, a tie breaking formula will be used to determine the top 16 seeds, based on the following:
 - a. total ballots from six judges;
 - b. head to head competition;
 - c. strength of competition - ballots;
 - d. strength of competition - total team ranks - drop high/low;
 - e. strength of competition - total speakers' points - drop high/low;
 - f. total speakers' points - drop high/low.

C. Judge Selection Procedure

1. All judges will be rated A, B, or C in each event based on the formula listed on the judges' cards;
2. The tournament director will turn the cards over and equally distribute judges into piles for each event;
3. Each policy, public forum, or LD round's goal:
 - A-C
 - A-B
 - B-B
4. Cards shuffled, turned face down, draw from top;
5. Conflicts move judge minimum distance for a fit.
6. The tournament director, with the assistance of the office staff, may compile possible judging panels for the semi-final and final rounds of each debate event, based on the rating system discussed above.
7. Semi-final rounds will have 3 judges with the goal of:
 - A-A-B
 - A-A-C
 - A-B-B
8. Final rounds will have 5 judges with the goal of at least three judges with an "A" rating in that event.

D. Ballots will be posted in a coaches' ballot room at the conclusion of each round. Only the designated coach is allowed into the ballot room to view the ballots. Ballots are not allowed out of the ballot room until the school has been eliminated from the tournament.

E. Judging Expectations

1. The debate critic should evaluate each debate in terms of which student or team effectively presents and defends the better argument, rather than which student or team happens to represent the critic's personal viewpoint. His or her comments should be presented so that they are constructive and contribute to the student's knowledge about either or both the debate process and the topic.
2. The critic should not orally disclose his or her decision as to which student or team won. Specific suggestions for each individual and a reason for the decision should be written on the ballot form.

12:	6	6		
13:	6	7

24:	ETC.			

(Maximum of 7 per section)

5. Preliminary Rounds Sectioning Priorities
 - a. Protect for schools.
 - b. Protect for duplicate cuttings.
 - c. Set for doublers. Allow at least one scheduled speaker between each of the student's speaking positions. I.E. If speaking third in one event, schedule the doubler to speak first or fifth through seventh in other event. Any discrepancy should be reported to the sectional office by the judge.
 - d. Vary speaking order for each round, ensuring students have spoken at the beginning, the middle, and the end of the sections.
 - e. Smaller sections may be allowed in preliminary rounds only for the purpose of better judge utilization. If a sectional committee does so, the sectional chair should report this to the Executive Secretary or his/her Assistant.
6. Determining Semi-Finalists
 - a. Scoring for sections is done by the lowest number of preset entries per section. For example, if there are two preset sections of 6 and one preset section of 7, then the lowest score given is a 6. Even if there are drops on the tournament day, the lowest **preset** section total should be used as lowest actual score.
 - b. Add up all preliminary scores, taking into account the scoring procedure listed above.
 - c. The lowest 14 cumulative scores advance to the semi-final round.
 - d. In case of a tie, the office staff should consult the following tie-breaking procedure:
 - 1.) Head-to-Head competition
 - 2.) Reciprocal fractions of all 6 adjusted scores
 - 3.) Total number of contestants defeated
 - 4.) Total number of contestants competed against

5.) Tougher competition

- 7. Sectioning for Semi-Finals at Sectionals
 - a. Power snake the competitors to balance power. Based on score, seed contestants and lay out cards in "snaked" order as follows:

A	B
1	2
4	3
5	6
8	7
9	10
12	11
13	14
 - b. Protect for schools. If a school has two semi-finalists in an event, they should be placed in separate sections.
 - c. Protect for cuttings. If two contestants have the same cutting, they should be placed in separate sections when possible.
 - d. Check sections for balance of power. Add cumulative prelim scores of all competitors in each section. Unless protecting schools or cuttings prohibits, the totals of each section should be within 2 or 3 points of each other. If not, trade cards until the sections are as balanced as possible given all constraints.
 - e. Blind draw for speaker order.
 - f. Set for doublers.

- 8. Determining Finalists following a Semi-Final:
 - a. Add scores from all judges—preliminary and semi-final.
 - b. The lowest seven cumulative scores advance to final round.
 - c. In case of a tie, the following procedure will be used:
 - 1.)Head-to-Head competition (If in the same semi-final section, judges' preference)
 - 2.)Reciprocal fractions of all 9 adjusted scores
 - 3.)Total number of contestants defeated
 - 4.)Total number of contestants competed against
 - 5.)Tougher competition
 - 6.)In case of an unbreakable tie, a runoff will be held with one judge.

- 9. Determining Finalists without a Semi-Final:
 - a. Add all prelim scores.
 - b. The lowest seven cumulative scores advance to final round.
 - c. In case of a tie, the following procedure will be used:
 - 1.)Head-to-Head competition
 - 2.)Reciprocal fractions of all 6 adjusted scores
 - 3.)Total number of contestants defeated
 - 4.)Total number of contestants competed against
 - 5.)Tougher competition
 - 6.)In case of an unbreakable tie, a runoff will be held with one judge.

- 10. Sectioning for Final Round
 - a. Blind draw for initial order.
 - b. Set for doublers.

- 11. Final Placing
 - a. The contestants will be ranked based on the lowest total of all official scores.
 - b. On special score sheets for the final round, enter the name of each contestant and the place received in each preliminary and semi-final round (e.g. 2-1,3-3,2-2,1-1-1). When the contest is over, add the ranks of the three final judges (e.g. 2,3,2) and total all numbers (in this case=23). Do the same for each final contestant. Then award first place to the one with the lowest total, second to the next lowest, and so on.
 - c. In case of a tie, judges' preference in the final round will determine the higher placing.

J. GUIDELINES FOR THE SELECTION OF APPROPRIATE INTERPRETATION MATERIAL

Please note—the following are suggested guidelines to consider. They do NOT constitute set RULES.

1. As a contestant you must understand that judges may rank you lower because they might believe that the selection of material you have chosen is inappropriate for a variety of reasons. Hopefully, these guidelines will help you make an appropriate selection.
 - a. The material should be appropriate for your abilities and appearance.
 - b. The material should be appropriate for a high school performance.
 - c. The literature selected should match the intellectual and psychological abilities of the performer.
 - d. Rude, lewd, and obscene material should be avoided; however, mature subject matter can be performed if done seriously and skillfully.
 - e. Substituting words may make the material acceptable for performance if the substitution does not change the meaning of the line.
 - f. When creating a duo cutting, there should be a balance between the two performers, not necessarily in the number of characters portrayed, but in terms of amount of material performed.
2. Coaches are STRONGLY ENCOURAGED to ask for a Council ruling PRIOR to using questionable material.

K. DECLAMATION RULES

1. These speeches are orations that have been publicly delivered at some time and place by their authors, who may or may not be expert speakers. The coach must be able to prove that the oration was given for the purpose of public address.
2. Any subject matter appropriate for a contest of this nature may be used. It will be delivered from memory.
3. The oration shall be from 5-10 minutes in length. Failure to meet this time requirement shall be a detriment.
4. This contest comprises orations delivered at some other time and place by their authors. The test of the present orator, therefore, is the ability to reproduce not only words, but also the thought, emotion, and effect of the original orator. Subject matter is not to be judged except as to appropriateness for a contest of this nature. It may be either new or old.
5. Using a brief introduction, the contestant must set forth the time, place, and circumstances of its original presentation by its author.
6. The mechanics of speech must be observed faithfully--poise, quality and use of voice, effectiveness and ease of gesture, emphasis, variety, and enunciation. No particular style of delivery should be demanded of the orator; rather he or she should be free to select or develop an individual style and then be judged according to the degree of perfection obtained and his or her effectiveness in influencing the audience addressed.
7. No props are allowed.

L. ORIGINAL ORATORY RULES

1. This oration is composed by the student who delivers it.
2. Any appropriate subject may be used--a eulogy to some great man or institution; a plea for some solution of some current problem, political, social, or economic. Since these orations have been written by the contestants delivering them, the judges should consider thought, composition, and delivery. However, as this is a contest in speech, rather than in essay writing, the emphasis should be placed on the speech aspect. Thought and composition should be considered primarily in the way they are employed to make the speech effective.
3. The oration shall require from 5 to 10 minutes for delivery. A written copy will be available for the tournament director if requested.
4. Not more than 150 words of the oration may be direct quotation from any other speech or writing. Violation of this rule will result in an automatic last in the round.
5. Plagiarism will bring disqualification from the tournament.
6. Hypothetical illustrations should not be personalized.
7. The orator should not be expected to solve any of the great problems of the day. Rather he or she should be expected to discuss intelligently, with a degree of originality, in an interesting manner, and with some profit to the audience, the topic chosen. He or she should be given wide latitude in the ideas expressed, but held accountable for the manner in which they are expressed.
8. The composition should be considered carefully for its rhetoric and diction. The use of appropriate figures of speech, similes, and other rhetorical devices to make the oration more effective should be noted especially. Use of English should be correct; it should reveal a discriminating choice of words and altogether fine literary qualities. It should be especially adapted to oral presentation.
9. Delivery should be judged for mastery of the usual mechanics of speech--poise, quality and use of voice, and bodily expressiveness; and for the qualities of directness and sincerity which impress the oration upon the minds of the audience.
10. No particular style of delivery is to be set up as the one correct style to which all contestants must conform. Rather, each contestant is to be judged upon the effectiveness of his or her delivery, free to choose or develop whatever style will best give that effectiveness with the particular oration.
11. No props are allowed.

M. ORIGINAL PERFORMANCE RULES

1. The script must be written by the student performing the material. When a duo is written for performances, it may be written by one or both of the performers.
2. The original selection may be dramatic, humorous, narrative, poetic, or any combination of these writing styles.
3. The selection should be five to ten minutes in length. Failure to meet this requirement may be a detriment.
4. A written copy will be available for the tournament director, if requested.
5. A scripted piece must utilize a script for all parts of the presentation (with the exception of a memorized introduction or transitions if utilized). A memorized piece must be entirely memorized.
6. No more than 50 words of the piece may be quoted from another source.
7. Character movement may be utilized in the speaking area of the room.

8. No costumes, properties (hand or stage), or character make-up will be permitted.
9. If a Duo...
 - a. The duo must have two participants (there can be more than one character played by each).
 - b. Participants may not play to each other. No eye or physical contact may occur with the exception of a clearly identified introduction or transition.
10. When judging this event, please consider both the writing and the performance of the material.

IHSFA Executive Council
Mileage Reimbursement Guidelines (July 2006)

Per Executive Council decision, council members will be reimbursed mileage when attending mandatory council functions that fit within the following guidelines:

1. Council meetings eligible for mileage reimbursement include:
 - a. Summer meeting
 - b. Winter Meeting
 - c. State Debate
 - d. State Speech
 - e. Meetings for set-up will be reimbursed if budget allows.
2. Mileage will be reimbursed based on the following formula:
 - a. Mileage calculated using mapquest / 20 (mpg) x \$3.00 (average cost of gallon of gas). Example: Elkhart to Ind.=140 miles/20=7 x \$3.00=\$21.00 x 2 (round trip)=\$42.00 reimbursed for gas.
3. Using appropriate methods, the executive secretary will determine the shortest driving distance from council member's towns/cities to Indianapolis or other determined site. The mileage chart and standard rate listed below are based on Indianapolis. Indianapolis area council members will be reimbursed based on their point of origin to meeting site.
4. Mileage will only be reimbursed for a council member who otherwise would not need to attend. (eg. A speech coach with no competitors attending state debate)
5. If feasible, council members are encouraged to carpool with each other to meetings. Only the driver will be reimbursed.
6. The council member is required to complete and submit the attached mileage reimbursement form to the executive secretary by May 1st of the current school year. Failure to do so will result in no reimbursement for that request.
7. Adjustments to reimbursement formula will be addressed at the summer council meeting.
