

Sectional Discussion Topic:

Homeland security

General Question: How can the United States government best improve homeland security?

Sub-Topics (used in the preliminary rounds):

- A. How should the United States government best deal with current and future persons detained in relation to the war on terror?
- B. How Should the United States government best improve the Transportation Security Administration?
- C. How should the United States government best improve its border security?

**Note: The state topic for discussion will also center around Homeland Security, but the questions will be different and will be randomly drawn every round.
